Hybrid L™

LIVERY SEDAN

PATENT PENDING

Bridging the gap between luxury transportation and fuel efficiency the Hybrid L™ by Royale is America's most fuel efficient, large size, luxury Hybrid vehicle. By extending the chassis and rear doors as well as adding many luxury upgrades to the Fusion/Milan Hybrid Royale has created the first Hybrid Electric Livery Vehicle™ (HELV). The Hybrid L™ offers nearly 95% of the rear leg and shoulder room of the industry standard Lincoln Town Car Executive L while producing more than two times the fuel economy. The regenerative braking system keeps the battery charged to handle city driving up to 47 mph as well as running the AC at idle adding to the actual overall fuel savings. Call today to experience the Hybrid L™ by Royale and start enjoying the savings.

Up to 47 mph in Electric Mode

LIVERY SEDAN COMPARISON
